Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fee for AA. Membership; we are self-supporting through our own contributions. AA. Is not allied with any sect, denomination, politics, organisation or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics achieve sobriety.
 All meetings are weekly and either CLOSED, which attendance is restricted to alcoholics and those who have, or think they may have a drinking problem, or OPEN, (usually monthly, or on the week indicated in brackets and on Bank Holidays) which indicated that non alcoholics may attend.
 Not to be used as mailing list for any purpose outside of AA.
